**SID: 200400254**

**ENSE 271**

**March 16, 2022**

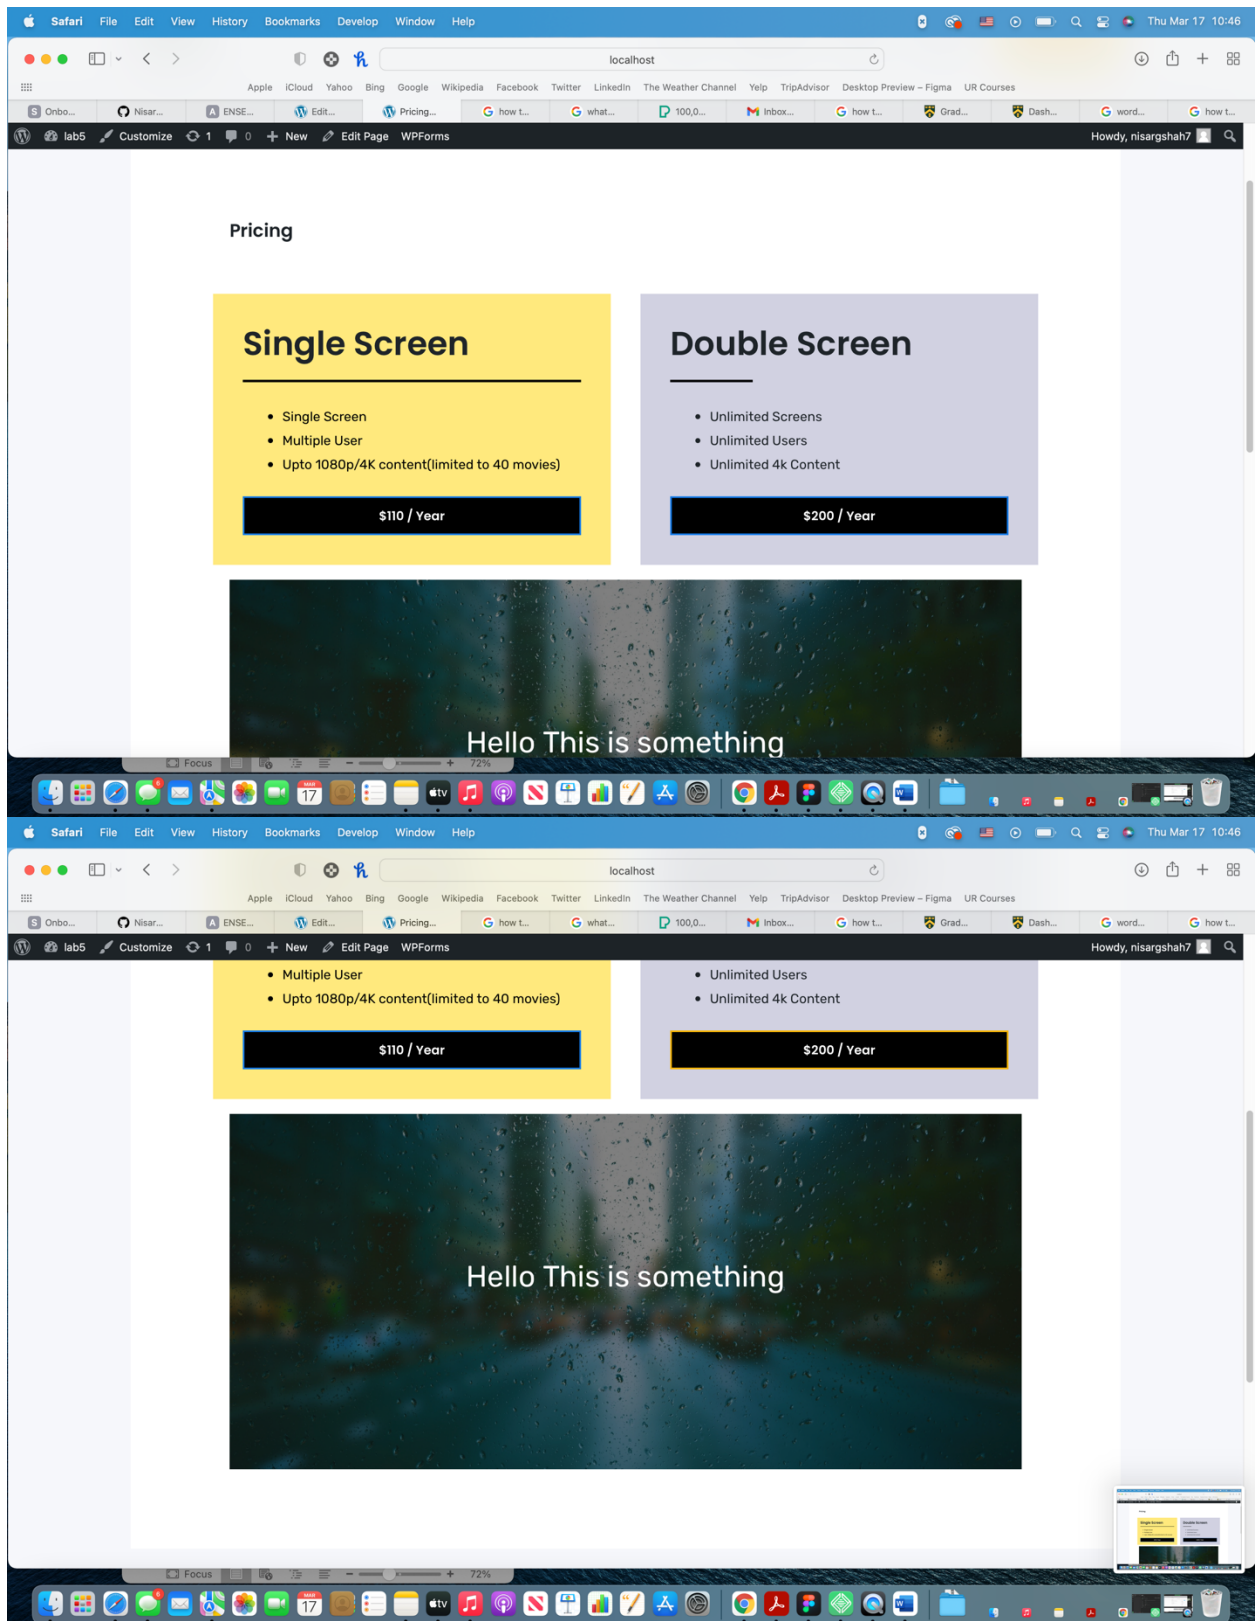

**Information:**

- 1) Added a quote block by des les.
- 2) Code block of C++ print statement.
- 3) A button for "Click here to know more".

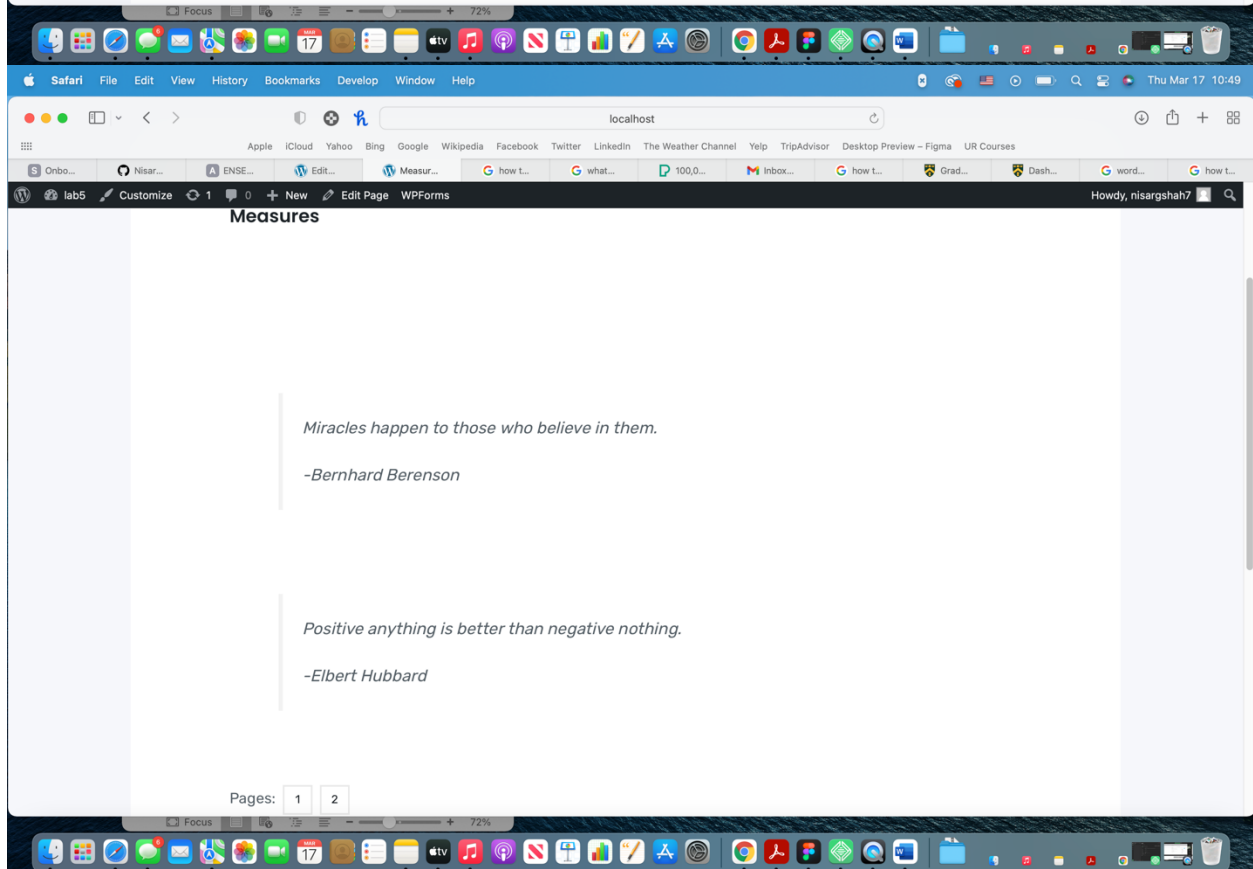

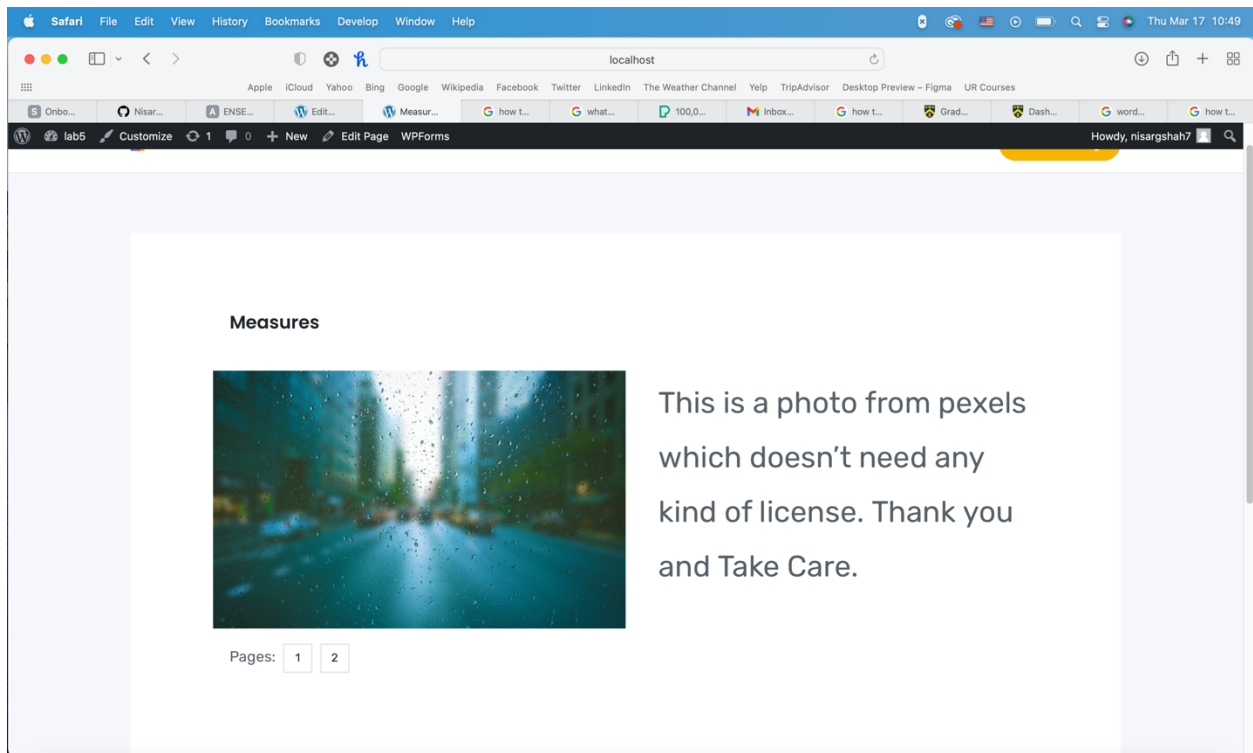

**Pricing:**

- 1) For pricing page, using pricing block
- 2) Used cover block, to give some background image to text.

**Measures:**

- 1) I have used media and text to align text next to picture.
- 2) I have used page break to give that multi page experience from the design tab.
- 3) Used group under design to combine multiple blocks into group.

## Showcasing Blog Posts:

- 1) Showcases my blog posts with reusable building blocks.
